

# 1<sup>st</sup> Twyford Summer Camp 2017

## Factsheet 1 – finances

The cost of this year's Summer Camp has been set at £260 per scout/explorer, this is somewhat higher than usual due to our requirement to build in sufficient contingency funding for exchange rate fluctuations later this summer. Indeed we hope that the monies will not all be required should the exchange rate against the Euro move in our favour, with any surplus being returned post event.
